Trinity students are the total package. They create connections—in research laboratories and fine arts studios, through student involvement and residential life, and through the strength of our Tiger network. They are defined as much by their individual perspectives as by the way they come together—to create a dynamic, collaborative community. They answer questions and question answers. They push boundaries and have fun along the way. This sheet offers a snapshot of Trinity Tigers by the numbers.

**CLASS OF 2022 PROFILE**

**APPLICANTS**

- 8,629 APPLICATIONS
- 34% ADMIT RATE
- 690 ENROLLED STUDENTS
