**Teacher Education Advisory Council** (TAC 228.20b)

The Teacher Education Advisory Council (TEAC) is a collaborative group of stakeholders that provide guidance and expertise to the education preparation program. Members include representatives from local schools and districts, higher education, Region 20 Education Service Center, and San Antonio business and community.

**Collaboration**
- Meets twice per year
- Assists in the design, delivery, evaluation, and major policy decisions

**Accountability**
- Provides sufficient support for the programs to meet all state and national standards
- Accountable for the quality of the program and the candidates that the program recommends for certification
