

Young Alumni Program Chair Trinity University

The Trinity University Young Alumni Council is focused on creating an active and vibrant network for recent graduates (those from the past 15 years). Our goal is to create an opportunity for individuals to learn more about what the Trinity University Alumni Association has to offer, while still providing benefits and activities specifically targeted to the needs of more recent grads. We'd like to give young alumni a stronger voice within the Alumni Association and the Trinity community as a whole.

Role of the Young Alumni Program Chair

The Young Alumni Program Chair serves an important role within your local alumni chapter. Each chapter is encouraged to appoint a Young Alumni Program Chair to serve on its board. The YAP Chair is responsible for the following:

- Foster young alumni participation in your area
- Encourage young alumni participation in events by direct outreach and working with the event chairs to make chapter events more accessible (in terms of cost, timing, and activity) to a broader spectrum of people, especially young alumni
- Coordinate at least 1 event in the area that are of interest and targeted to young alumni
- Establish planning committees (when necessary) to assist with planning and execution of young alumni events
- Maintain a young alumni file to share information with other YAP Chairs
- Maintain communication with the Young Alumni Coordinator in the Alumni Office
- Maintain communications via phone, e-mail, or correspondence with young alumni in the area
- Join the Facebook group for your chapter
- Share successful events with the Trinity Alumni Association
- Nurture future Alumni Association leaders

For more information on the Young Alumni Council, contact the Office of Alumni Relations at 210-999-8404.
